Felt Snowflakes in Cream and Burgandy

Scandinavian Winter Wreath

Tutorial

Take your skein of yarn and begin to wrap it around the wreath. A pattern will appear on its own. You can adjust the pattern as you see fit.

Scandinavian Winter Wreath

Tutorial Continued

When you finish wrapping the yarn around you will end up with two distinct areas - the cream and variegated cream and burgundy.

Scandinavian Winter Wreath

Tutorial Continued

Now comes the fun! You will embroider the felt pieces as you see fit or leave blank and you can place them in this fashion or...
